Recipe: serves 4

- 1 lb skinless red snapper filet, diced
- 1/2 red onion, diced
- Juice of 3 limes (enough to submerge fish)
- 1/4 of cantaloupe (about 1 cup), diced
- 1 tomatillo (about 1/2 cup), diced
- 1 serrano, sliced
- 1 small persian cucumber (about 1/2 cup), diced
- 1/4 cup cilantro, chopped
- Salt & pepper, to taste
- 2 Tbsp extra virgin olive oil
- 1/2 ripe avocado, diced
- Tortilla chips, plantain chips or any chips you desire, for serving

1. Combine fish, onion and lime juice in a bowl and marinate in fridge for 20-30 minutes depending on how firm you like your fish. (Make sure fish is fully submerged in lime juice.)
2. While fish is marinating, combine all other ingredients except avocado in a bowl.
3. Drain fish through strainer and discard liquid.
4. Add fish to bowl with other ingredients and gently toss to combine.

5. Adjust seasoning to your liking with salt and pepper.
6. Top with diced avocados and serve with chips of your liking.
